Applicant responds to the February 17, 2005 Notification of Missing Requirements
Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) as follows:

The French language application filed by attorney for applicant included the same nine claims that the undersigned attorney for applicant has been advised by his French colleague that the French application as filed included; a copy of these claims is forwarded as Exhibit A. The PCT application filed by applicant in the European Patent Office originally included these same nine claims (Exhibit B). During the preliminary examination of the PCT application, the European examiner ruled that claim 7 of the PCT application was unpatentable in the European Patent Office. Consequently, applicant's French representative canceled claim 7 by an amendment on July 19, 2004. The International Preliminary Examination Report dated July 22, 2004 confirms the cancellation of claim 7. A copy of the International Preliminary Examination Report was forwarded to the U.S. Patent and Trademark Office (USPTO) on October 8, 2004.

The U.S. English language version of the application filed on October 8, 2004 does not include claim 7 as originally filed in France and in the PCT, in accordance with the Patent Cooperation Treaty. Consequently, the number of claims in the international application as amended and forward to the USPTO, and the number of claims in the English language translation are the same.

As a result of the foregoing, it is believed that the requirements of the Patent Cooperation Treaty have been met and that it would have been improper for the translation to include nine claims.

The undersigned attorney for applicant does not understand the need for paying an additional processing fee for providing the translation of the application. On October 8, 2004, prior to the 30 months from the priority date, attorney for applicant submitted the translation. A copy of the PTO acknowledgement receipt of the translation is attached. If, however, the submission is deemed to be inadequate, the USPTO is hereby authorized to charge Deposit Account No. 07-1337 of the undersigned attorney for the applicant.

To the extent necessary, Applicants petition for an extension of time under 37 C.F.R. 1.136. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, or credit any overpayments to Deposit Account 07-1337.

Respectfully submitted,
